CAPITAL CAMPAIGN

2017-2019

Covenant Presbyterian Church

Learning God's Love. Living God's Love.

"The gifts he gave
were that some would
be apostles, some
prophets, some
evangelists, some
pastors and teachers,
to equip the saints for
the work of ministry,
for building up the
body of Christ, until
all of us come to the
unity of the faith and
of the knowledge of
the Son of God, to
maturity, to the
measure of the full
stature of Christ."

Ephesians 4:11-13

We are blessed with a wonderful space for worship, education, and fellowship. Our building is a place where lives are changed with God's love, where the saints are built up for ministry in the world. And Covenant is a place where our neighbors gather to do Scouting, sing and play instruments, vote and have neighborhood meetings, journey on the 12-step program, and more.

Our "More Than A Roof" Capital Campaign ensures that these life-changing and community-blessing activities can continue.

We laid out initial plans in 2016, knowing that cost estimates were only estimates, and things did change. Our already-old roof was battered by a hailstorm, making repairs more expensive but also opening the way for insurance funds to help with the costs.

A generous Covenant family offered to help fund solar panels, and after detailed research by the Building and Grounds Committee, those panels became a reality.

We also upgraded windows, chairs, pews, and the sound system, as you can see in this report.

And perhaps best of all, we gave 10% of all funds received to various partners, locally and globally, to feed hungry people, educate students, support global mission work, and to help with natural disaster relief.

The building has been closed for over a year due to Covid. As we anticipate reopening the refurbished building for worship and more, we are as excited as ever to keep “Learning and Living God’s Love.”

To all who supported this campaign, we sincerely thank you, as your gifts and prayers will keep Covenant as a blessing for years to come.

Sincerely,
