

Mini Wind Socks

Supplies Needed:

- Cardboard tubes
- Gift wrapping paper
- Scissors
- Glue or tape
- Self-curling ribbon or crepe paper streamers
- Hole punch (optional)

Directions:

1. Give each child a cardboard tube.
2. After choosing gift wrapping paper; cut it to fit the tube; tape or glue the paper to the tube.
3. Tape or glue long pieces of ribbon or crepe paper to the bottom of the tube.
Optional: Punch holes with a hole punch for the ribbon and crepe paper.
4. Tape or glue a piece of ribbon or crepe paper to the top of the tube for a hanger. Optional: punch two holes in the top to hold the ribbon or crepe paper hanger.
5. Hang the wind sock in a windy place outside or inside.
