

COVENANT PRESBYTERIAN CHURCH

Church
MATTERS

2023 Generosity Campaign

*"I will **ble**ss you... so that you
will be a **ble**ssing." -Genesis 12:2*

Mission

MATTERS

Covenant is a **Matthew 25** church, making racial justice and the eradication of systemic poverty central to our mission.

The Presbywheelians biked in the MOVE4BGC fundraiser, raising over **10,000** for Boys & Girls Club.

Members of Covenant embark on a mission trip to **Guatemala** this Fall.

We have recently partnered with Jewish Social Services to help resettle an immigrant family.

Covenant partners with **Glenn Stephens Elementary**, including a pen pal program and supplying snacks.

Worship MATTERS

We are thankful that in-person worship is again possible, but are also thankful for the ability to live-stream worship on YouTube.

We hosted a **Ukraine Benefit Concert**, combining our efforts with Madison Presbyterian churches, and (combined with another Ukraine offering) raised over **\$50,000**.

New handbells and hand chimes were purchased to expand our handbell ministry.

Sanctuary chancel lighting (50 years old) will be updated this year, which will provide enhanced lighting for worship and livestreaming, but also provide energy savings.

For more highlights of 2022, visit covenantmadison.org/generosity

Education MATTERS

Education is taken seriously at Covenant from our youngest to our adults. Sunday School, Adult Ed, and Youth Groups are in full swing.

Sunday School, Children's Time, and Youth Connection all returned to in-person in 2022.

Covenant teamed up with Bethany United Methodist for a heartwarming Vacation Bible School.

Small Groups continue to meet throughout the year and will start a series called "Money Matters" this Fall.

LET'S
TALK
ABOUT

Adult Education had a variety of classes, including challenging topics not often discussed in church.

Buildings MATTER

Our Building & Grounds Committee has been hard at work to maintain and improve our facilities so we can go into the coming year strong.

The 50+ year old boiler has been replaced with a new heating system in the Bradfield and Classroom wings.

The grounds area around the church has been well cared for by volunteers working in the gardens.

A new security system is going in with a key code locking mechanism for safer use of the building during the week.

For more highlights of 2022, visit covenantmadison.org/generosity

YOU MATTER

YOU have made all of these things possible for us and we **thank you!** Please give as you are able and called by God. How you use your time, talent, and treasure are manifestations of how you are "blessed to be a blessing."

In an attempt to stay true to our Creation Care oath by being better stewards of this Earth we are using less paper in your packet this year. You can fill out the forms online by either scanning the QR codes below or going to **covenantmadison.org/generosity**. If you would like a hard copy of the Serving Survey, please contact the church office.
