

# Tulip Flower Craft

## Supplies Needed

- Tulip flower pattern at bottom of page
- Straws
- Construction paper or other pretty paper
- Hole punch
- Scissors
- Glue or glue stick

## Directions

1. Cut out tulip flower pattern
2. Trace the pattern onto construction paper and cut out
3. Accordion fold the flower folding it four times
4. Punch a hole in the center of the folded flower with a hole punch
5. Unfold the tulip flower and fit a straw in and out through the holes of the tulip
6. Cut out leaves from construction paper or color white paper green
7. Glue the leaves to the bottom of the straw.
8. Make a bouquet of tulip flowers and put in a vase or glass
